Youth Group Covenant

2011

According to the Youth and Family Ministry Mission Statement, the boundaries of youth group are to be a “fun, inclusive, faithful and safe environment.” We promise then at youth group we will:

1. Listen to and respect the youth director, adult chaperones, and other involved leaders.
2. Play by including everyone, being fair, listening, and having fun.
3. Respect each other's personal space.
4. Speak kindly to everyone, listen to each other, and use appropriate language.
5. Share with one another, be polite and ask permission first. We do not waste or vandalize.
6. Dress appropriately for the activities we are doing.
7. Not use or bring alcohol, illegal drugs, weapons or any illegal or unsafe substances to youth group or otherwise engage in unsafe behavior.
8. Stay with the group and ask my leader if I need something or to go somewhere.
9. Intentionally interact and get to know people beyond my immediate friends.
10. Follow any additional rules when attending an event or being a guest. We are representatives of our church.

I have read and understand the covenant and choose to follow these guidelines. By choosing not to follow the covenant I understand that I am also choosing not to participate in youth group. Consequences may entail a time out, phone call to parents/guardians, or being sent home.
