

Christmas Giving Tree – New Shoes for the New Year *Family Assistance Ministries* Athletic shoe drive November 28 – January 2

We need 200 pairs of NEW athletic shoes (sneakers) for preschool and elementary age children. The shoes will be distributed at a special event on January 8th at FAMs office. There is no need to take a tag from the tree. Simply purchase a pair of sneakers **Child Size 5 – Adult Size 7** and bring to the narthex. We especially need shoes for elementary boys and girls. Stay tuned for volunteer opportunities to sort, deliver and hand-out the shoes.

FAM is so appreciative of this project that we've been doing since 2007! Invite your family and friends to donate a pair of sneakers, too. Or make a monetary donation, memo: Shoes, by December 26 and we'll shop for you.
