

Our Savior's Lutheran Church and School
"Inspired to Love, Encouraged to Think and Sent to Serve."

October 30, 2023

Our Savior's Community Member,

Thank you for being a part of the Our Savior's Lutheran Church and School community. Our community of Christian fellowship, faith, and education is better with your presence and support. There is a sense of renewed energy on campus as we continue living out our mission "Inspired to Love, Encouraged to Think and Sent to Serve."

Currently worship is being refreshed and renewed. We are continuing to strengthen the connection between the two arms of our ministry - church and school, and we are finding more ways to join together for fellowship and fun, as well as worship and study. Some of the outdated sound equipment has been replaced and worship is sounding crisper and clearer, in person and online. We are eagerly looking forward to the repainting of the Sanctuary and Narthex. There is so much that is exciting and new. What an exciting time to be part of Our Savior's.

In this season of newness, we would like to invite you to continue taking part in these exciting changes and in our ministry together. We are here to care for and love each other and the world. There are multiple ways we can do this. We worship together, pray for each other, and serve one another. We do all of this in response to God's abundant grace and love. Please prayerfully consider how you would like to take part in this mission by filling out this year's *Estimate of Giving* and *Gifts of Time & Talent* forms.

This year you can complete your *Estimate of Giving* and *Gifts of Time & Talent* forms hard copy, as in years past or electronically. The QR code provided below will take you to a form that has both forms and includes a form for children to complete. You can also use the following link <https://tinyurl.com/v6sbn92h>. Please be reassured that the estimate of giving information is only seen by our financial secretary. It is considered a commitment between you/your family and God. The *Gifts of Time & Talent* information will be used appropriately. Note, an indication on the *Gifts of Time & Talent* form is not a hard and fast commitment to perform the task but is an indication of interest and provides information to the church. If you complete the hard copy forms you may place them in the provided envelope and place them in the offering plate during a service or mail them to the church. All the offerings will be blessed on November 19, 2023, during the service.

Would you consider making a commitment to begin, continue or grow your commitment to Our Savior's with the gifts that God has entrusted to you?

In Christ's Love,

Pat Kelly, Lola Davies, Steve Karsten, Sharon Guilliams, James Simons
